QUALITY POLICY STATEMENT

Envirochem Technologies Pty Ltd specialises in the fields of chemical waste disposal and chemical and dangerous goods handling.

The objective of the Company is to supply our customers with a service that exceeds their requirements in terms of safety, economy and performance.

The Company is committed to a policy of continuous improvement in the provision of these services, and to comply with all environmental and regulatory authority requirements.

To achieve the above objective and to satisfy customer expectations, the Company is totally committed to implementing and maintaining a Quality Management System based on ISO 9002.

The successful operation of the System relies upon the co-operation and involvement of personnel at all levels. Our commitment to quality will ensure the continued success of our Company and the satisfaction of customers, regulatory authorities and staff.

The Quality Manager is authorised to ensure that the requirements of this Quality System are implemented.
